

Guidelines for abstract submissions for abstract/paper presentation

- Please submit abstracts for proposals for individual papers by **15th Sept, 2021** via Conference website
- Abstracts should be between **800 and 1200 words** and to be submitted online in Word format. Abstracts less than 800 words will not be reviewed.
- Abstract selection for presentation is on the basis of a double blind peer-review process. Criteria are
 - a. Relevance to conference thematic tracks;
 - b. Evidence-based and methodological appropriateness;
 - c. Innovative and new;
 - d. Significance of findings for policy or research agenda; and
 - e. Clarity of presentation.

More than one abstract can be submitted; due to space limitation only one accepted abstract can be presented by a participant.

- Abstract acceptance for oral presentation will be communicated during last week of Sept'21 and First week of Oct'21
- Kindly note that inclusion of an accepted presentation in final conference program is conditional on timely conference registration and uploading of full paper or poster.
